

MAY 2017 NEWSLETTER

A new chapter lies ahead for the GOLFIE, Julie Alexander has left the club after over 7 years of great service to move onto pastures new, Colin Dalgarno has also decided to call time on his service and support given to Mark and the greenkeeping staff over several years. We would like to offer our thanks and best wishes to both who will still be seen in and around the club in a playing and social capacity.

The club are actively recruiting a Club Manager, and we look forward to bringing you news of the appointed candidate in due course.

The catering at the GOLFIE is also changing, George Smith will be moving on in the middle of May, we would like to thank George for his efforts in his time at the club and we wish him all success in his future ventures. We are pleased to have secured the services of Kenny Wood in the short term and he will head up the kitchen for a temporary period while we recruit a new caterer, we are sure that many members will be delighted with this news and we look forward to seeing you all making the GOLFIE, your first choice, from in and around the village for food and drinks.
